SawaLove Terms of Service

Effective date: September 23, 2026

Welcome to SawaLove. By creating an account you agree to these terms. **SawaLove is only for people aged 18 or older.**

1. Your account

- You must be at least 18 years old to use SawaLove.
- You must provide accurate information during registration. Phone verification with a +237 number, or email verification for diaspora users, is required.
- You are responsible for keeping your account secure and for all activity under your account. One person, one account.

2. Community rules

SawaLove is a respectful dating community. You agree **not** to:

- Impersonate anyone, use fake photos, or create a profile for someone else.
- Harass, threaten, stalk, or bully other users.
- Send spam, scams, phishing links, or requests for money.
- Post nudity, sexual content, violent or hateful content.
- Share other people's private information without consent.
- Use SawaLove for prostitution, trafficking, or any illegal activity.

We remove violating content, pause or permanently ban accounts, and report illegal activity to the relevant authorities. If your account is actioned you can appeal through **Profile → Safety → Moderation appeal**.

3. Photos & content you upload

You keep ownership of your photos and bio. You give us a limited licence to host and display them inside SawaLove for the purpose of operating the service (for example, showing your profile to other users). Content you post must follow our community rules above.

4. Safety

Meeting people online carries risk. Use common sense: keep conversations in the app, meet in public places, tell a friend where you are going, and report anyone who makes you feel unsafe. Report and block tools are always free.

5. Purchases

Some features may be offered as paid subscriptions or consumables in the future. If and when that happens, they will be billed through Google Play on Google Play's terms, with clear pricing before you confirm any purchase. Paid features are not available in this version of the app.

6. Ending these terms

You can stop using SawaLove and delete your account at any time from Profile → Account; data deletion is described in the Privacy Policy. We may suspend or ban accounts that break these rules, with an appeal process.

7. Disclaimers & liability

SawaLove is provided "as is" without warranties of any kind. To the maximum extent permitted by law, we are not liable for indirect or consequential damages, and our total liability to you is limited to the amount you paid us in the 12 months before the claim (zero if you paid nothing). Nothing here limits rights you have under mandatory consumer law.

8. Governing law

These terms are governed by the laws of the Republic of Cameroon. Contact: **support@sawalove.cm**.
